

# An Evening of Elegance

September 21, 2010

Dear Business Owner:

The Quincy Valley Medical Center Foundation is excited to announce the 2010 "Evening of Elegance" fundraising auction. This year's auction will be held on Saturday, November 13, 2010 in Quincy, WA. Due to the past generosity of donors this event has helped the Foundation purchase an X-Ray Machine and Bone Density Machine for the Quincy Valley Medical Center. We invite you to step up as one of our most valued supporters and make an early **DONATION** to our auction.

Quincy Valley Medical Center (QVMC) opened 51 years ago to serve the healthcare needs of the rural central Washington community of Quincy. As the community has grown, and the hospital has aged, the medical center needs have also increased. QVMC continues to be **COMMITTED** to providing the highest quality of care to every individual. We are asking for your **HELP** to continue to improve our services to meet these needs. This biennial auction is the primary fundraising activity for the Foundation. Proceeds from this year's auction will go directly to Foundation to support activities and equipment which **DIRECTLY** benefit the Quincy Valley Medical Center patients.

*How can you help?*

**DONATIONS** are needed for items such as services, attraction passes or tickets to entertainment facilities, restaurant certificates, group experiences, vacation home use, jewelry, home furnishings and more.

**CASH** donations are also accepted and will be used to support the mission of the Foundation.

Please help us kick-off our fundraising efforts with an early donation! **Make your donations now!** Assisting the Quincy Valley Medical Center is easy. You can simply **return the enclosed donation form** with your donation and a receipt will be mailed to you. Your generosity will help us continue to improve the care we give to the Quincy community. Together we can make a difference!

**Thank you** in advance for your support of this important event. If you have any questions, please do not hesitate to contact me at (509) 787-5349 or [wurlm@inhs.org](mailto:wurlm@inhs.org).

Sincerely,

**Michele Wurl**

Executive Director
