

Thanks from hospital

Recently, the Quincy Valley Medical Center has been the recipient of generous donations from our community and on behalf of the staff and patients I would like to publicly say "Thank you." First, we would like to thank Tracy Kissler from Kissler Enterprises in George for the generous donation of lawn maintenance equipment to our facility. After overhearing a conversation between QVMC staff regarding the need for new lawn equipment, Mr. Kissler took it upon himself to donate the new items to our facility. Second, we would like to thank Liberty Farm & Lawn for loaning us a front loader to use for the refurbishment of our Memory Garden located outside of the Long-Term care unit. Lastly, we would like to thank Trophies by Lake Bowl for donating their engraving services for the ornaments on our Memory Garden trees. QVMC takes great pride in not only the services we provide, but in the appearance our facility puts forth in the community. All of these recent donations will make the task of grounds maintenance much easier.
