

CORRESPONDENCE

Thanks for hospital support

As a community member and president of the Quincy Hospital Foundation, I just wanted to express my heartfelt gratitude to all of you who, in many ways, support healthcare in our community. I am grateful that we have access to many of our healthcare needs right here in our own city.

As the hospital surgery program celebrates one year of service, the financial picture of the hospital continues to improve and new and improved services are developed, many of you again supported the foundation last Saturday evening through the Night of Lights fund-raising event.

As a community we joined together for an enjoyable evening as volunteers, auction item donors and buyers to raise over \$25,000 dedicated to the purchase of a much-needed bone density scanner.

Once again, I am amazed and appreciative of the generosity and support of our community. Special thanks to all who so generously gave your time, effort and dollars to the Hospital Foundation Night of Lights event.

With best wishes for the holiday season,

— Verna Teeter

Harry Brink special to the Post-Register

Elvis and me. Auctioneer Cody Hodge, is backed up by "Elvis" during the Quincy Valley Hospital Foundation's "Night of Lights" dinner auction on Saturday, Dec. 6. The auction brought in more than \$25,000 for the purchase of a bone-density scanner for Quincy Valley Medical Center. Pat Tobin was the successful bidder for the Elvis statue.
