

Wilbur-Ellis Company donates funds

Wilbur-Ellis Basin West recently donated \$4,500 to the Quincy Valley Hospital Foundation to help in the purchase of a bone density machine, and also gave the Quincy Community Center \$6,000 to help in the purchase of an electric readerboard. The Wilbur-Ellis Company has been donating money to communities where Wilbur-Ellis branches are located since 2002, approaching \$1.5 million. Pictured from left to right are Mehdi Merred, Michele Wurl, Randy Jimerson, Corallee Morgan, Debbie Graaff, Scott Lybbert and Kent Gephart.
