

QVMC Press Release

For Immediate Release: February 23, 2009

QVMC Looks Back

Quincy Valley Medical Center is celebrating its 50th anniversary this year and is seeking the public's help at putting together our "family" scrapbook. We are collecting stories, pictures and memorabilia pertaining to the Hospital's fifty year history in Quincy. If you have a story you would like to share, we would love to hear it. If you have pictures from our earlier days, we would like to see them. Did you pick up old Hospital memorabilia at a local garage sale or find something hidden in your basement?

We would like to borrow it. QVMC is the public's hospital and we would like the public to share in this celebration with us.

Mark your calendars for August 29th, 2009 and watch for more details on the upcoming celebration. In the meantime, please contact Michele Wurl at (509) 787-5349 or via email at quincyhospital@inhs.org with your QVMC story so that we may include your experience in our scrapbook.
